

House a Neighbor, Get a Work-Cation

Join Vacasa in support of Central City Concern and we may sponsor your next executive retreat at a beautiful vacation home. Together, we can help our Portlander neighbors-in-need access the safe, comfortable housing they deserve.

Here's how it works:

House a neighbor

Join us in supporting Central City Concern's effort to build transitional housing for the less fortunate in Multnomah County, over 4,000 of whom spend their holidays outside.

Get a work-cation

If you sponsor at the Platinum or Diamond levels, we'll give you a getaway in a beautiful vacation home sleeping 10+ people—perfect for an executive planning retreat.

Why we care

Here at Vacasa, providing homes is in our DNA. We manage vacation rental properties on behalf of private owners, allowing travelers to enjoy unique accommodations in beautiful destinations across the globe. Families create lifelong memories in Vacasa homes, especially around the holidays.

We hope you'll join us in supporting an organization that helps our neighbors-in-need find a home for the holidays—and beyond.
