

Pineapple Mojito

Serves 4

Ingredients

2 cups fresh pineapple chunks, diced small
8 ounces chilled pineapple juice (look in the refrigerated juice section at your grocery store)
3 ounces lime juice
3 ounces simple syrup
20 mint leaves
8 ounces white rum (optional)
Soda water (or ginger beer, if you prefer!),
to top

For garnish (optional):

Fresh mint leaves
Pineapple

Directions

Combine the fresh pineapple chunks, pineapple juice, lime juice, simple syrup, and mint leaves in a larger pitcher (or individual glasses if you don't have a pitcher). Use a muddler or wooden spoon to gently press on the mint leaves and release their flavor. Add rum, if using, and fill the pitcher with ice. Top with soda water or ginger beer and stir. Garnish with fresh mint leaves and pineapple, if desired.
